Greetings : President SEZ

Wow, what a great meetings we had in February and March We had superb attendance and the opportunity to meet some past members and prospective new members. I would like to thank Dan, W4DTO and Ron, WB3ILX for helping all of us understand basic

DSTAR operation and its application to Amateur Radio at the February meeting. Dan's presentation has urged me to consider obtaining some sort of DSTAR equipment for my personal use. Dave K4DMF came through again in March with his FANTASTIC Weather presentation.

Our newly formed Thursday morning breakfast gathering is growing in attendees and looks like it may become a regular habit for some of us. The food and coffee is good and the company even better. Although this is just a social gathering, a lot of interesting facts, opinions and ideas have been expressed and a lot of new things have been learned by many. Even a prospective new Amateur has shown up and had great things to say afterward. Hope to see you on Thursdays at 9am (or thereabouts) at the Bus Stop Café, on W. Memorial Dr., next to the Georgia Highlands College in downtown Dallas.

Don't forget APRIL MEETING Will be on MONDAY April 6 at 6:30pm start at Rodney's BBQ in New Hope. BIG DINNER MEETING and Ragchew. See ya there . 73" Chuck K4CGA
